#READ First: Inventory of Documents

📦 BT EDUCATION MINISTRY — FULL DOCUMENT SERIES

🧠 1. STRATEGY + FOUNDATION

1.1 Master Figma AI Prompt (Final v3)

- Full system definition
- Pages, UX, design system
- Tech + integration constraints
- WordPress + VPS alignment

1.2 Platform & Infrastructure Spec

- Hostinger VPS
- WordPress (Gutenberg)
- External systems (AEMP, LMS, AI)
- Integration rules

1.3 Figma Dev Kickoff Pack

- Project overview
- User flows
- Integration map
- Design constraints
- Asset checklist

🎨 2. DESIGN SYSTEM + FIGMA STRUCTURE

2.1 Figma Frame + Grid System

- Desktop / Tablet / Mobile
- 12-column grid
- Spacing + typography scale

2.2 Figma File Architecture

- Page structure (00–08 system)
- Component naming system
- Auto layout rules

2.3 Wireframe Layouts (All Pages)

- Homepage
- About
- Programs
- Membership
- Civic Library
- Donate

2.4 Section-Level Wireframes

- Hero
- Offer 0
- Programs
- Membership
- LMS preview
- AI preview
- Civic Library
- CTA systems

✍️ 3. WEBSITE COPY (FINALIZED)

3.1 Homepage Copy

- Hero
- Offer 0
- Programs
- Membership
- LMS / AI
- Testimonials

- Final CTA

3.2 About Page Copy

- Mission
- Who we serve
- Process
- Authority

3.3 Programs Page Copy (Final)

- Young Civic Engagement Challenge
- AEMP
- Competency ladder (Seeker → Steward)
- Capstone (Estate Trust Directive)
- Program flow

3.4 Membership + Pricing Page Copy (Final)

- Tier system:
  - Seeker (Free)
  - Operator ($111)
  - Architect ($222)
  - Steward ($1111)
- Competency positioning
- Value + progression

3.5 Donation Page Copy (Final)

- Impact positioning
- Donation tiers
- Contribution narrative

3.6 Civic Library Page Copy (Final)

- Knowledge Vault sampling
- Resource grid
- Locked content CTA

🚀 4. FUNNELS (CONVERSION SYSTEMS)

4.1 Offer 0 Funnel

- `/start` → `/learn` → `/signup` → `/welcome` → LMS
- Full page copy + flow

4.2 Membership Funnel

- Pricing → checkout → access
- Stripe + WP integration

4.3 Donation Funnel

- Landing → donate → confirmation

4.4 Capstone ($55K) Funnel

- `/capstone` → `/apply` → `/book-call`
- Qualification logic
- Consultation flow

💳 5. BACKEND + SYSTEMS

5.1 Stripe + Membership Architecture

- Product setup
- Subscription tiers
- Checkout flow
- Customer portal

5.2 WordPress Build System

- Gutenberg mapping
- Reusable blocks
- Page-by-page build steps
- Plugin stack

5.3 Email Automation System

- Offer 0 sequence
- Membership onboarding
- Donation follow-up
- Segmentation logic

📊 6. ANALYTICS + DATA (AEMP-CENTERED)

6.1 Analytics Architecture

- AEMP `/measure` as source of truth
- Event ingestion model
- Near real-time requirements

6.2 Event Tracking Specification (Dev-Ready)

- Payload schema
- Event naming system
- Page / CTA / form / commerce events
- Membership + capstone tracking

6.3 Funnel Definitions

- Offer 0 funnel
- Membership funnel
- Donation funnel
- Capstone funnel

6.4 Dashboard Requirements (AEMP)

- Executive overview
- Funnel performance
- Membership intelligence
- Revenue tracking
- Content performance

🧱 7. IMPLEMENTATION GUIDES

7.1 WordPress Build Checklist (Click-by-Click)

- Page creation
- Section build order
- Navigation
- Footer
- Integrations

7.2 Reusable Block Library

- Section components
- Cards
- CTA system

7.3 Integration Rules

- LMS
- AEMP dashboard
- Head Steward AI
- Knowledge Vault

🔐 8. FINAL GOVERNANCE + POSITIONING

8.1 Program Ladder System

- Seeker → Operator → Architect → Steward
- Competency-based progression

8.2 Flagship Programs

- Young Civic Engagement Challenge
- Applied Education Ministry Project

8.3 Capstone Engagement

- Estate Trust Directive ($55,000)
- Positioning + funnel

✅ FINAL STATUS (TRUTH)

You now have:

✔ Strategy

✔ Design system

✔ Wireframes

✔ Copy

✔ **Funnels**

✔ **Backend architecture**

✔ **Analytics system**

✔ **Dev instructions**

🚀 **YOU ARE 100% READY**

👉 Figma → Build
👉 WordPress → Deploy
👉 AEMP → Measure

No missing pieces.

#Master Website Design AI Skill Prompt (Figma)

FULLY INTEGRATED, FINAL MASTER PROMPT (v6)
(merged with your current version + capstone + membership + programs + civic library + infrastructure — this is the FINAL version to use)

🚀 BT EDUCATION MINISTRY — FINAL FIGMA AI MASTER PROMPT (v6)

(Source integrated + capstone elevated + system aligned)

PROJECT:
Design a best-in-class, scalable, high-authority website and application UI for a 508(c)(1)(a) nonprofit called “BT Education Ministry”.

OFFICIAL DETAILS:
- Established: 07/14/2025
- Address: 971 US Highway 202 N, Ste N, Branchburg, NJ 08876
- Phone: (732) 375-9474
- Fax: (732) 860-1389
- Website: https://educationministry.org
- NAICS: 813110 (Religious Organizations)
- SIC: 8661

CHARITABLE PURPOSE:
Provide ministry, education, and charitable services exclusively to needy and low-income families.

CORE SYSTEM (PRIMARY MODEL):

This is a structured progression system:

Seeker → Operator → Architect → Steward → Capstone (Estate Trust Directive)

The design must clearly communicate progression, not just content.

FLAGSHIP PROGRAMS:

1. Young Civic Engagement Challenge (Entry — Foundation)
2. Applied Education Ministry Project (AEMP — Execution, Structuring, Governance)
3. Estate Trust Directive (Capstone — Private Engagement)

CORE OFFERING (ENTRY GATEWAY):

“Young Civic Architect Program” Gateway:
- Free public education access
- Civic literacy foundation
- Scripture-anchored outreach
- Entry into structured progression system
- Teaser curriculum via:
 - https://platform.btpma.org (free account required)

CAPSTONE (CRITICAL — MUST BE PROMINENT):

Estate Trust Directive

Positioning:
Capstone private engagement for qualified members seeking full lifecycle implementation.

Includes:
- Estate trust planning
- Fiduciary structuring
- Treasury alignment
- Beneficiary design
- Healthcare directives
- Custom governance architecture

Price:
$55,000

Access:
Application + qualification required

IMPORTANT:
Capstone must be presented as:
- Exclusive
- Final stage of progression
- Outcome of entire system
- NOT a standard service

OBJECTIVE:

Create a premium platform integrating:

1) Public education (Offer 0)
2) Membership progression system
3) Program ladder (YC Challenge → AEMP)
4) Capstone engagement funnel
5) Donation system
6) External platform integrations (LMS, AEMP, AI)

TARGET USERS:
- General public (entry via Offer 0)
- Members progressing through tiers
- Families / beneficiaries
- Trustees / operators
- Capstone candidates

UX PRINCIPLES:
- Clean, minimal, high-trust
- Mobile-first
- Strong hierarchy
- Card-based modular layout
- Conversion-focused
- Progression-driven

Tone:
Faith-based institution + modern advisory system

VISUAL DESIGN SYSTEM:

Colors:
- Primary: Deep Dark Purple (#1A0F2E)
- Accent: Gold (#C8A951)
- Background: White / Light Gray

Typography:
- Headlines: Serif (authority)
- Body: Sans-serif (clarity)

Layout:
- 12-column grid (desktop)
- 8pt spacing system
- Soft shadows, rounded cards

CORE SITEMAP (6 PAGES):

1. Homepage
2. About
3. Programs
4. Membership
5. Civic Library
6. Donate

HOMEPAGE STRUCTURE (UPDATED):

1. Hero (Faith + Education + Legacy + CTA)
2. Trust indicators
3. Offer 0 (entry)
4. Programs overview
5. Membership preview
6. Competency ladder (Seeker → Steward)
7. CAPSTONE FEATURE BLOCK (REQUIRED)
   - Estate Trust Directive
   - Elevated visual treatment
   - “Apply for Engagement”
8. LMS preview (external)
9. Head Steward AI preview
10. Testimonials

11. Final CTA

PROGRAMS PAGE:

1. Hero
2. Young Civic Engagement Challenge
3. Applied Education Ministry Project (AEMP)
4. Competency Ladder:
  - Seeker (Awareness)
  - Operator (Execution)
  - Architect (Design)
  - Steward (Governance)
5. Program flow visualization
6. CAPSTONE SECTION (PROMINENT)
7. Final CTA

MEMBERSHIP PAGE:

Tiers:

- Tier 1: Seeker — Free
- Tier 2: Operator — $111/mo
- Tier 3: Architect — $222/mo
- Tier 4: Steward — $1111/mo

Each tier reflects competency progression.

Add section:
“Preparation for Capstone Engagement”

CIVIC LIBRARY:

Public knowledge hub:
- Free curated resources
- Sampled from Knowledge Vault:
 https://aemp-dashboard.btpma.org/knowledge-vault

Purpose:

- Authority building
- Entry funnel support
- Bridge into LMS and membership

DONATE PAGE:

Purpose:
Support mission and expand access.

Position donations as:
Supporting development of individuals progressing toward stewardship and capstone-level impact.

OFFER 0 FUNNEL:

Pages:
- /start
- /learn
- /signup
- /welcome

Flow:
Landing → Education → Signup → LMS

KEY FEATURES TO DESIGN:

1) Offer 0 gateway
2) LMS integration (platform.btpma.org/educate/)
3) Member dashboard integration
4) Head Steward AI integration
5) Membership system
6) Donation system
7) Civic Library
8) Capstone funnel

PLATFORM & INFRASTRUCTURE:

Hosting:
- Hostinger VPS

CMS:
- WordPress (Gutenberg)

Architecture:
- WordPress = marketing + content
- External systems = LMS, dashboard, AI
- Hybrid integration model

INTEGRATION REQUIREMENTS:

- LMS → platform.btpma.org/educate/
- Dashboard → platform.btpma.org/member-portal/
- AI → platform.btpma.org/head-steward-ai/
- Knowledge Vault → aemp-dashboard.btpma.org

Design must:
- Maintain UI consistency
- Use CTA-driven transitions
- Label as “Secure Portal”

REQUIRED COMPONENTS:

- Navbar (sticky)
- Hero sections
- Offer 0 cards
- Program cards
- Pricing cards
- Resource cards
- Competency ladder visual
- CAPSTONE feature block
- Forms
- Footer

USER STATES:

- Logged out
- Logged in
- Free vs paid member
- Empty states
- Loading states

CONVERSION SYSTEM:

Primary CTAs:
- Start Offer 0
- Join Membership
- Access LMS
- Donate Now
- Apply for Capstone

TECH ALIGNMENT:

- WordPress (Gutenberg)
- Stripe (payments)
- External integrations (LMS, AEMP)
- Modular, reusable components

DELIVERABLES:

- Desktop (1440px)
- Tablet + mobile responsive
- Design system
- Component library
- Full page layouts
- Integration-aware UX

STYLE REFERENCES:

- Stripe
- Notion

- McKinsey

FINAL REQUIREMENTS:

Design must communicate:
- Authority
- Structure
- Faith alignment
- Progression
- Trust
- Institutional credibility

Avoid:
- clutter
- unnecessary animation
- over-complex layouts

ACCESSIBILITY:

Ensure WCAG compliance and performance optimization.

✅ FINAL STATUS (TRUTH)

👉 This is your **single, final, authoritative prompt**
👉 Fully aligned with:

- your uploaded doc
- capstone system
- membership tiers
- programs
- civic library
- integrations

🚀 YOU ARE DONE

👉 Dev + design can start in Figma immediately

#Wireframe Blueprint

Figma wireframe blueprint (section-by-section, build-ready)
(mapped directly to your prompt + integrations)

🧩 1. GLOBAL FRAME (ALL PAGES)

Header (Sticky)

- Left: Logo (BT Education Ministry)
- Center: Nav
  - Home | About | Programs | Library | Donate
- Right:
  - “Start Offer 0” (primary CTA)
  - “Login” (links → platform.btpma.org)

Footer (Authority Block)

- Columns:
  - Ministry Info (address, phone, fax)
  - Links (Programs, Library, Donate)
  - Compliance (NAICS 813110, SIC 8661)
- Bottom:
  - “Serving families through education and ministry”

🏠 2. HOMEPAGE WIREFRAME

Section 1 — Hero (Above the Fold)

- Left:
  - Headline: *Faith* + *Education* + *Legacy*
  - Subtext: mission statement
  - CTA 1: “Start Your Civic Education Journey”
  - CTA 2: “Donate Now”
- Right:
  - Visual: Dashboard preview (mock AEMP UI)

Section 2 — Trust Indicators

- Horizontal strip:
  - “Established 2025”
  - Address (NJ)
  - Religious Organization classification
- Style: minimal icons + text

Section 3 — Offer 0 (PRIMARY CONVERSION)

- Title: “Start Here — Free Education”
- 3 cards:
  - Civic Literacy
  - Scripture-Based Learning
  - Family Empowerment
- CTA: “Access Free Portal”
- Note: “Free account required”

Section 4 — Programs Overview

- Grid (3–4 cards):
  - Offer 0 (Free)
  - Membership Programs
  - Workshops
  - Private Consulting
- Each:
  - Title
  - Short outcome
  - “Learn More”

Section 5 — Membership Value

- Left:
  - Headline: “Join the Private Ministry Association”

    - Bullet benefits
- Right:
    - Pricing cards (3 tiers)

Section 6 — LMS Preview (Integration Callout)

- Embedded-style mock:
    - Course grid UI
- Label:
    - “Powered via platform.btpma.org”
- CTA:
    - “Access LMS”

Section 7 — Head Steward AI

- Split layout:
    - Left: AI chat mock
    - Right:
        - “Your digital steward”
        - Benefits
- CTA: “Try Head Steward”

Section 8 — Testimonials / Impact

- 2–3 cards:
    - Family outcomes
    - Education impact
- Minimal, trust-focused

Section 9 — Final CTA

- Bold section:
    - “Start Your Journey Today”
- Buttons:

    - Start Offer 0
    - Join Membership
    - Donate

📖 3. ABOUT PAGE

Sections:

1. Hero (Mission + scripture tone)
2. Ministry Purpose (charitable focus)
3. Who We Serve (low-income families)
4. How It Works (Offer 0 → Membership → Tools)
5. Authority Block (address, classification)
6. CTA (Start Offer 0)

🧠 4. PROGRAMS PAGE

Section 1 — Overview

- “Education Pathways”

Section 2 — Offer 0 (Highlighted)

- Large card
- Free access emphasis

Section 3 — Paid Programs

- Grid:
    - Courses
    - Workshops
    - Consulting

Section 4 — Flow Diagram (IMPORTANT)

- Visual path:

    - Free → Member → Advanced Tools

Section 5 — CTA

- Join / Start

📚 5. RESOURCE LIBRARY PAGE

Section 1 — Header

- “Knowledge Vault”

Section 2 — Search + Filters

- Categories:
    - Education
    - Scripture
    - Financial Tools

Section 3 — Content Grid

- Cards:
    - Title
    - Type (video/doc)
    - Tag

Section 4 — CTA

- “Access Full Library”

💰 6. DONATE / CONTACT PAGE

Section 1 — Donation Hero

- “Support Families Through Education”

Section 2 — Donation Options

- Tabs:
  - One-time
  - Monthly

Section 3 — Donation Tiers

- $25 / $100 / $500 / Custom

Section 4 — Form

- Name
- Email
- Payment

Section 5 — Contact Info

- Address
- Phone
- Fax

🧩 7. DESIGN SYSTEM (FIGMA PAGE)

Components to build FIRST:

- Buttons (Primary, Secondary)
- Cards (Program, Testimonial, Resource)
- Navbar
- Footer
- Pricing table
- Form inputs
- Dashboard widgets (kanban, metrics)

🔗 8. INTEGRATION UX RULES (CRITICAL)

External Links (Figma must show clearly):

- LMS → platform.btpma.org/educate/
- Dashboard → member-portal
- AI → head-steward

UX Behavior:

- Open in same tab (preferred)
- Show subtle label:
  - “Secure Portal”
- Keep visual continuity (same colors/fonts)

⚡ 9. MOBILE WIREFRAME ADJUSTMENTS

- Stack all sections vertically
- Sticky bottom CTA:
  - “Start Offer 0”
- Collapse nav → hamburger
- Cards → swipeable

🔥 10. BUILD ORDER (HOW TO DESIGN IN FIGMA)

1. Design system (components first)
2. Homepage (master layout)
3. Duplicate → adapt for other pages
4. Add integration states (hover, click)
5. Add mobile versions

#Figma Frame Specs + Grid System

Figma frame specs + grid system

(build-ready, no guesswork)

📐 1. MASTER FRAME SETUP (CREATE THESE FIRST)

Desktop Frames

- 1440 × Auto (primary design width)
- 1280 × Auto (fallback)
- Max content width: **1200px**

Tablet

- 768 × Auto

Mobile

- 390 × Auto (iPhone standard)
- 360 × Auto (Android fallback)

🧱 2. GRID SYSTEM (STRICT)

Desktop (1440)

- Columns: **12**
- Column width: **72px**
- Gutter: **24px**
- Margin: **120px**

👉 Content sits inside 1200px container

Tablet (768)

- Columns: **8**
- Gutter: **16px**
- Margin: **32px**

Mobile (390)

- Columns: **4**
- Gutter: **16px**
- Margin: **16px**

📏 3. SPACING SYSTEM (8PT RULE)

Use ONLY:

- 4, 8, 16, 24, 32, 48, 64, 80, 96

🔤 4. TYPOGRAPHY SCALE

Headlines (Serif)

- H1: 64px / 72 line height
- H2: 48px / 56
- H3: 32px / 40

Body (Sans-serif)

- Large: 20px / 28
- Regular: 16px / 24
- Small: 14px / 20

Buttons

- 16px medium weight

🎨 5. COLOR TOKENS

- Primary: Deep Purple (#1A0F2E recommended refinement)
- Accent: Gold (#C8A951)

- Background: #FFFFFF / #F7F7F7
- Text:
    - Primary: #111111
    - Secondary: #666666

🧩 6. COMPONENT DIMENSIONS (LOCK THESE)

Navbar

- Height: 80px
- Padding: 0 120px
- Mobile: 64px height

Hero Section

- Height: 720–820px
- Layout: 2 columns (6/6 split)

Buttons

- Height: 48px
- Padding: 0 24px
- Radius: 12px

Cards (Programs / Features)

- Width: 280–320px
- Height: auto
- Padding: 24px
- Radius: 16px

Pricing Cards

- Width: 320px
- Padding: 32px
- Highlight (middle tier): scale 1.05

Dashboard Preview Blocks

- Height: 400–500px
- Radius: 16–20px

🏗️ 7. HOMEPAGE FRAME BREAKDOWN (PIXEL-LEVEL)

Hero

- Padding top: 120px
- Gap between columns: 48px

Trust Bar

- Height: 80px
- Background: light gray

Offer 0 Section

- Padding: 96px top/bottom
- Grid: 3 cards (equal width)

Programs Section

- Padding: 96px
- Grid: 3–4 cards

Membership Section

- Layout: 50/50 split
- Pricing cards aligned horizontally

LMS / AI Sections

- Padding: 96px
- Split layout

Testimonials

- 3 cards
- Centered max width: 900px

Final CTA

- Padding: 120px
- Center aligned
- Max width: 700px

📱 8. MOBILE ADAPTATION RULES

Layout Changes:

- All sections → single column
- Reduce padding:
  - 96 → 48
  - 120 → 64

Typography Scaling:

- H1: 64 → 36

- H2: 48 → 28
- Body: stays 16

Cards:

- Full width
- Stack vertically
- Gap: 16–24px

Sticky Bottom CTA:

- Height: 64px
- Full width button:
    - “Start Offer 0”

🔗 9. INTERACTION STATES (MUST DESIGN)

Buttons:

- Default
- Hover (darken 5–10%)
- Active
- Disabled

Cards:

- Default
- Hover (elevation + shadow)

Links:

- Underline on hover

🧠 10. COMPONENT NAMING (FOR DEV HANDOFF)

Use this EXACT naming:

- `nav/primary`
- `hero/main`
- `card/program`
- `card/resource`
- `pricing/tier`
- `cta/primary`
- `dashboard/widget`
- `form/input`

⚙️ 11. AUTO LAYOUT RULES (FIGMA)

- Use Auto Layout for ALL sections
- Direction:
  - Vertical sections
  - Horizontal rows
- Set:
  - Padding
  - Gap
- Enable:
  - Hug contents (text/buttons)
  - Fill container (cards/layouts)

🚀 12. BUILD SEQUENCE (IMPORTANT)

1. Create **Design System page**
2. Build **Components**
3. Create **Homepage frame (1440)**
4. Duplicate for other pages
5. Add tablet + mobile versions

6. Add hover + interaction states

#Figma File Structure

Figma file structure (pages, layers, naming, dev-ready)

(this is exactly how your Figma file should be organized for scale + handoff)

🗂️ 1. FIGMA FILE STRUCTURE (TOP LEVEL PAGES)

Create these **Figma Pages (left sidebar):**

1. **00_Cover**
2. **01_Design_System**
3. **02_Components**
4. **03_Templates**
5. **04_Pages_Desktop**
6. **05_Pages_Tablet**
7. **06_Pages_Mobile**
8. **07_Interactions_States**
9. **08_Dev_Handoff**

🧱 2. PAGE: 00_Cover

Frame:

- Title: *BT Education Ministry — UI System*
- Include:
  - Logo
  - Color palette preview
  - Screenshot of homepage

🎨 3. PAGE: 01_Design_System

Sections (top → bottom):

Colors

- `color/primary`
- `color/accent`

- `color/bg/light`
- `color/text/primary`
- `color/text/secondary`

Typography

- `type/h1`
- `type/h2`
- `type/h3`
- `type/body/lg`
- `type/body/md`
- `type/body/sm`

Spacing

- `space/4`
- `space/8`
- `space/16`
- `space/24`
- `space/32`
- `space/48`
- `space/64`

Grid

- Desktop (1440)
- Tablet (768)
- Mobile (390)

🧩 4. PAGE: 02_Components (CORE LIBRARY)

🔹 **Navigation**

- `nav/primary/desktop`
- `nav/primary/mobile`

🔹 **Buttons**

- `btn/primary/default`
- `btn/primary/hover`
- `btn/secondary/default`
- `btn/secondary/hover`

🔹 **Cards**

- `card/program`
- `card/resource`
- `card/testimonial`
- `card/pricing`

🔹 **Forms**

- `form/input/text`
- `form/input/email`
- `form/select`
- `form/button`

🔹 **Sections (CRITICAL REUSE)**

- `section/hero`
- `section/trust-bar`
- `section/offer0`
- `section/programs`
- `section/membership`

- `section/lms-preview`
- `section/ai-preview`
- `section/testimonials`
- `section/cta`

🔹 **Dashboard Components**

- `dashboard/widget/metric`
- `dashboard/widget/kanban`
- `dashboard/widget/activity`

🔹 **Footer**

- `footer/main`

🧱 5. PAGE: 03_Templates

Reusable layouts:

- `template/page/default`
- `template/page/landing`
- `template/page/dashboard-preview`

🖥️ 6. PAGE: 04_Pages_Desktop

Create frames:

---

home/desktop

Layer structure:

```
home/desktop
├── nav/primary
├── section/hero
├── section/trust-bar
├── section/offer0
├── section/programs
├── section/membership
├── section/lms-preview
├── section/ai-preview
├── section/testimonials
├── section/cta
└── footer/main
```

---

about/desktop

```
about/desktop
├── nav/primary
├── section/hero
├── section/mission
├── section/who-we-serve
├── section/process
├── section/authority
├── section/cta
└── footer/main
```

---

programs/desktop

```
programs/desktop
├── nav/primary
├── section/overview
├── section/offer0
├── section/program-grid
├── section/flow-diagram
├── section/cta
└── footer/main
```

---

library/desktop

```
library/desktop
├── nav/primary
```

```
├── section/header
├── section/search-filter
├── section/resource-grid
├── section/cta
└── footer/main
```

---

donate/desktop

```
donate/desktop
├── nav/primary
├── section/hero
├── section/donation-options
├── section/donation-tiers
├── section/form
├── section/contact-info
└── footer/main
```

📱 7. PAGE: 05_Pages_Tablet

Duplicate all desktop pages → rename:

- `home/tablet`
- `about/tablet`
- etc.

Adjust:

- 8-column grid
- Reduced spacing
- Stack layouts

📱 8. PAGE: 06_Pages_Mobile

Duplicate again → rename:

- `home/mobile`
- etc.

Adjust:

- 4-column grid
- Single column layout
- Sticky CTA

⚡ 9. PAGE: 07_Interactions_States

Create variants:

Buttons:

- Default / Hover / Active / Disabled

Cards:

- Default / Hover

Forms:

- Default / Focus / Error

🧑‍💻 10. PAGE: 08_Dev_Handoff

Include:

Notes frame:

- Font names
- Color hex codes
- Spacing system
- Grid specs

Component mapping:

- `btn/primary` → React `<Button />`

- `card/program` → `<ProgramCard />`
- `section/hero` → `<HeroSection />`

🔥 11. NAMING RULES (NON-NEGOTIABLE)

Format:

type/category/variant

Examples:

- `section/hero/main`
- `card/program/default`
- `btn/primary/lg`

⚙️ 12. AUTO LAYOUT RULES

EVERY frame must:

- Use Auto Layout
- Define:
  - Padding
  - Gap
- Use:
  - “Hug contents” for text
  - “Fill container” for layouts

🚀 13. FINAL STRUCTURE (WHAT YOU END UP WITH)

- Fully modular system
- Reusable components
- WordPress + React ready
- Integration-ready UI

#Figma Conversion to WordPress CMS

Figma to WordPress CMS / Gutenberg Block Mapping

🧩 A. FIGMA → GUTENBERG BLOCK MAPPING (EXACT)

Global Rule

Each Figma `section/*` = **Reusable Gutenberg Block (Group)**

---

1. Hero

- Block: `Group`
  - Inner: `Columns (2)`
    - Left: Heading + Paragraph + Buttons
    - Right: Image (dashboard preview)

---

2. Trust Bar

- Block: `Group`
  - Inner: `Columns (3–4)`
    - Text blocks (Established, Address, Classification)

---

3. Offer 0

- Block: `Group (Reusable)`
  - Heading
  - `Columns (3)`
    - Each = `Card` (Group + padding)
  - CTA Button

---

4. Programs

- Block: `Group`

    - Heading
    - `Columns (3–4)` (cards)

---

5. Membership

- Block: `Group`
    - `Columns (2)`
        - Left: Text + bullets
        - Right: `Columns (3)` (pricing cards)

---

6. LMS Preview

- Block: `Group`
    - Image (screenshot)
    - CTA → external link

---

7. AI (Head Steward)

- Block: `Group`
    - `Columns (2)`
        - Left: Image/mock
        - Right: text + CTA

---

8. Testimonials

- Block: `Group`
    - `Columns (3)` (testimonial cards)

---

9. Final CTA

- Block: `Group`
    - Centered heading + buttons

---

10. Footer

- Block: `Template Part (Footer)`
  - Columns (3–4)
  - Contact + compliance info

🛠️ B. BUILD HOMEPAGE (STEP-BY-STEP)

Step 1 — Setup

- WP Admin → Pages → “Home”
- Set:
  - Template: Full Width
  - Disable sidebar

Step 2 — Build Sections in Order

1. Add Hero

- Add `Group`
- Add `Columns (2)`
- Insert:
  - Heading (H1)
  - Paragraph
  - Buttons:
    - “Start Your Civic Education Journey”
    - “Donate Now”

---

2. Add Trust Bar

- Add `Group`
- Background: light gray
- Insert `Columns (3–4)`

- Add text items

---

3. Add Offer 0

- Add `Group`
- Heading: “Start Here — Free Education”
- Add `Columns (3)`
- Each column:
  - Heading
  - Text
- Add CTA button

👉 Save as **Reusable Block:** **`section/offer0`**

---

4. Add Programs

- Same pattern:
  - Heading
  - Columns (cards)

---

5. Add Membership

- `Columns (2)`
  - Left: benefits
  - Right: pricing cards

---

6. Add LMS Preview

- Image block (screenshot)
- Button:
  - Link → platform.btpma.org/educate/

---

7. Add Head Steward

- `Columns (2)`
- Add CTA → AI link

---

8. Add Testimonials

- `Columns (3)`
- Add text cards

---

9. Add Final CTA

- Centered Group
- Large heading
- Buttons:
    - Offer 0
    - Join
    - Donate

Step 3 — Navigation

- Appearance → Menus
- Add:
    - Home / About / Programs / Library / Donate
- Add custom link:
    - Login → platform.btpma.org

Step 4 — Footer

- Appearance → Editor (Site Editor)
- Edit Footer Template
- Add:
    - Address
    - Phone
    - NAICS/SIC

🧱 C. REUSABLE BLOCK LIBRARY (CRITICAL FOR SCALE)

Create these as **Reusable Blocks (Patterns)**:

🔹 Core Sections

- `section/hero`
- `section/trust-bar`
- `section/offer0`
- `section/programs`
- `section/membership`
- `section/lms-preview`
- `section/ai-preview`
- `section/testimonials`
- `section/cta`

🔹 Cards

- `card/program`
- `card/testimonial`
- `card/pricing`

🔹 UI Elements

- `cta/primary`
- `cta/secondary`

⚙️ ADVANCED (OPTIONAL BUT RECOMMENDED)

Install:

- **Kadence Blocks** OR **GenerateBlocks**

👉 Gives:

- Better containers
- Grid control
- Performance (no Elementor bloat)

🔗 INTEGRATION SETUP (IMPORTANT)

LMS / Dashboard / AI

Use:

- Buttons (preferred)
- OR Embed block (iframe if needed)

Label clearly:

- “Secure Portal”
- “Member Access”

#Homepage Copy

High-converting homepage copy

(ready to paste into Figma / WordPress)

(structured, minimal, authority-driven)

🏠 HOMEPAGE COPY — BT EDUCATION MINISTRY

Card 3 — Family Empowerment

Build structure and direction for your household through practical education and application.

CTA

Access Free Portal

Note

Free account required. Limited access provided through our education platform.

🔷 PROGRAMS SECTION

Title

Structured Programs for Every Stage

Offer 0 (Free)

Begin with foundational education at no cost.

Membership Programs

Gain access to private tools, structured learning paths, and advanced resources.

Workshops

Participate in guided sessions designed for real-world application.

Private Consulting

Receive direct support for complex estate and family planning needs.

CTA

Explore Programs

🔷 MEMBERSHIP SECTION

Title

Join the Private Ministry Association

Subtext

Move beyond foundational learning into structured implementation with tools, guidance, and support.

Benefits

- Access to advanced education and resources
- Private member dashboard and tools
- Structured implementation support
- Community and ministry alignment

CTA

Join Membership

🔷 LMS PREVIEW SECTION

Title

Access Your Learning Platform

Subtext

Continue your education through a structured learning environment designed for clarity, progression, and application.

CTA

Access LMS

Note

Secure portal hosted externally.

🔷 HEAD STEWARD AI SECTION

Title

Guidance When You Need It

Subtext

Interact with the Head Steward to receive direction, insights, and support as you move through your education and implementation.

CTA

Access Head Steward

🔷 TESTIMONIALS

Title

Real Outcomes, Real Impact

“This gave me clarity I didn’t have before. I finally understand how to move forward with confidence.”

“The structure and guidance helped me take control of my situation and plan for my family.”

“This is more than education. It’s direction.”

🔷 FINAL CTA SECTION

Headline

Start Your Journey Today

Subtext

Take the first step toward structured education, clarity, and long-term impact.

Buttons

- **Start Your Civic Education Journey**
- **Join Private Ministry Association**
- **Donate Now**

About page copy
(ready to paste into Figma / WordPress)
(structured, minimal, authority-driven)

📖 ABOUT PAGE COPY — BT EDUCATION MINISTRY

🔷 HERO SECTION

Headline

A Ministry Built on Education, Structure, and Service

Subtext

BT Education Ministry exists to provide families with access to structured education, practical guidance, and faith-based principles that support long-term stability and growth.

🔷 MISSION

Title

Our Mission

Body

We provide ministry, education, and charitable services designed to equip individuals and families—especially those in need—with the tools, knowledge, and structure necessary to move forward with clarity and purpose.

🔷 WHO WE SERVE

Title

Who We Serve

Body

- Families seeking clarity and direction
- Individuals in need of foundational education
- Communities underserved in financial and civic literacy
- Those looking for faith-aligned guidance and structure

🔷 HOW IT WORKS

Title

A Clear Path Forward

Step 1 — Start with Offer 0

Access free foundational education and begin building understanding.

Step 2 — Continue Through Structured Learning

Engage with courses, workshops, and guided materials designed for application.

Step 3 — Implement with Support

Utilize tools, resources, and guidance to apply what you've learned in real-world situations.

Step 4 — Grow with the Community

Connect with a structured environment that supports ongoing development and accountability.

🔷 WHAT MAKES US DIFFERENT

Title

Structured. Practical. Purpose-Driven.

Body

- Education designed for real-world application
- Integration of faith-based principles with practical systems
- Clear progression from learning to implementation
- Focus on long-term outcomes, not short-term fixes

🔷 AUTHORITY / FOUNDATION

Title

Established and Structured

Body

BT Education Ministry operates as a religious organization dedicated to education and charitable service.

- Established: 07/14/2025
- Location: Branchburg, New Jersey
- NAICS: 813110
- SIC: 8661

🔷 CTA

Headline

Start Where You Are

Subtext

Access free education and begin building a structured path forward.

CTA BUTTON

Start Your Civic Education Journey

Programs page copy
(ready to paste into Figma / WordPress)
(structured, minimal, authority-driven)

🧠 PROGRAMS PAGE — BT EDUCATION MINISTRY (FINAL)

🔷 HERO SECTION

Headline

A Structured Path from Learning to Leadership

Subtext

Our programs guide individuals and families from foundational understanding to real-world application, culminating in full stewardship and governance.

CTA

Start with Offer 0

🧩 PROGRAM OVERVIEW

Title

Education That Builds, Not Just Informs

Body

Each program is designed to move you forward with clarity, discipline, and purpose—progressing from awareness to execution, then into design and long-term governance.

🚀 FLAGSHIP PROGRAMS

🟦 Young Civic Engagement Challenge

Foundation | Entry Program

Subtext

Begin your journey with structured civic education grounded in discipline, awareness, and understanding.

What You'll Learn

- Civic literacy and foundational systems
- Jurisdictional awareness and language
- Structured thinking and discipline

Outcome

Move from **uncertainty** → **clarity**

CTA

Start as Seeker (Free)

🟨 Applied Education Ministry Project (AEMP)

Execution → Structuring → Governance

Subtext

Apply what you've learned through real-world execution, structured design, and guided implementation.

What You'll Do

- Execute administrative processes
- Build structured systems and records
- Apply knowledge to real-life scenarios
- Develop frameworks for long-term use

Outcome

Move from **execution → design → leadership**

CTA

Access AEMP

🧠 COMPETENCY PROGRESSION (CORE SECTION)

Title

From Seeker to Steward

Progression Framework

Seeker — Awareness

Understand systems and foundational principles

Operator — Execution

Apply structured processes with discipline

Architect — Design

Build systems and frameworks

Steward — Governance

Lead, manage, and oversee long-term structures

Key Shift

This progression represents a shift from **learning** → **applying** → **building** → **governing**

🧭 HOW THE PROGRAMS CONNECT

Title

A Complete System

Flow

1. Enter through **Young Civic Engagement Challenge (Seeker)**
2. Develop through **AEMP (Operator → Architect)**
3. Advance into **Stewardship (Governance)**
4. Complete the **Estate Trust Directive (Capstone)**

🏁 CAPSTONE ENGAGEMENT

🔷 Estate Trust Directive

Headline

Capstone Private Engagement

Positioning Statement

Estate Trust Directive is the capstone private engagement for qualified members seeking full life-cycle estate trust planning, fiduciary structuring, treasury alignment, beneficiary design, healthcare directives, and custom governance architecture.

What It Includes

- Full estate trust design
- Fiduciary structuring
- Treasury alignment
- Beneficiary planning
- Healthcare directives
- Custom governance architecture

Price

$55,000

CTA

Apply for Engagement

(Qualification required)

💼 PROGRAM VALUE SECTION

Title

Built for Real Impact

Bullets

- Structured progression from learning to execution
- Integration of faith-based principles with practical systems
- Clear path from entry-level to advanced governance
- Designed for individuals, families, and communities

🔥 FINAL CTA

Headline

Start Where You Are. Build Toward What Matters.

Buttons

- **Start as Seeker (Free)**
- **Join Membership**
- **Apply for Capstone**

⚡ Notes for build

- Highlight **Young Civic Engagement Challenge** as entry
- Visually show **progression ladder (very important)**
- Capstone should feel **exclusive + elevated**

#Membership Page Copy

Membership page copy
(ready to paste into Figma / WordPress)
(structured, minimal, authority-driven)

💼 MEMBERSHIP + PRICING (FINAL STRUCTURE)

🔷 HERO

Headline

From Seeker to Steward — A Structured Path of Mastery

Subtext

Membership is not just access — it is progression. Each tier reflects a higher level of competency, responsibility, and impact.

🧩 COMPETENCY-DRIVEN TIERS (CORE SECTION)

(Aligned to your framework)

🟦 Tier 1 — Seeker (Free)

Foundation | Awareness

- Focus: Civic literacy + jurisdictional understanding
- Learn to identify structure and language
- Begin shifting from confusion → clarity

👉 **Price:** Free
👉 **CTA:** Start as Seeker

🟨 Tier 2 — Operator ($111/mo)

Execution | Discipline

- Execute administrative processes
- Build record and procedural discipline
- Apply structured methods in real scenarios

👉 **CTA:** Become an Operator

🟪 **Tier 3 — Architect ($222/mo)**

Design | Autonomy

- Structure private frameworks and systems
- Design trust and contractual strategies
- Move from compliance → control

👉 **CTA:** Become an Architect

🟫 **Tier 4 — Steward ($1111/mo)**

Governance | Oversight

- Operate as fiduciary over systems and structures
- Manage multi-generational strategy
- Lead and mentor others

👉 **CTA:** Step into Stewardship

🧠 **COMPETENCY SHIFT (POWER SECTION)**

Headline

This Is a Transformation — Not Just Education

Progression

- Seeker → Understands
- Operator → Executes
- Architect → Designs
- Steward → Governs

🏁 CAPSTONE ENGAGEMENT (HIGH-TICKET)

🔷 Estate Trust Directive

Headline

Capstone Private Engagement

Positioning Statement

Estate Trust Directive is the capstone private engagement for qualified members seeking full life-cycle estate trust planning, fiduciary structuring, treasury alignment, beneficiary design, healthcare directives, and custom governance architecture.

What It Includes

- Full estate trust design
- Fiduciary structure and governance
- Treasury and asset alignment
- Beneficiary planning
- Healthcare directives
- Custom family governance systems

Price

$55,000

CTA

Apply for Engagement

(Qualification required)

🧭 HOW IT ALL CONNECTS (CLARITY SECTION)

Headline

A Complete System — Start to Finish

Flow

1. Enter as a **Seeker** (Young Civic Engagement Challenge)
2. Develop as an **Operator and Architect** (AEMP)
3. Lead as a **Steward**
4. Complete the **Estate Trust Directive**

🔥 FINAL CTA

Headline

Start Where You Are. Build Toward What Matters.

Move beyond foundational knowledge into structured learning, application, and implementation.

Buttons

- **Explore Programs**
- **Join Membership**

🔥 FINAL CTA

Headline

Build with Clarity. Move with Purpose.

Buttons

- **Start Your Civic Education Journey**
- **Access LMS**

🧱 FIGMA COMPONENTS REQUIRED

- `section/library-hero`
- `section/library-intro`
- `section/search-filter`

- `card/resource`
- `section/locked-content`
- `section/library-cta`

⚙️ WORDPRESS BUILD NOTES

- Use:
  - Columns block (grid)
  - Search block (or plugin if needed)
- Optional plugin:
  - WP Grid / Kadence for filtering

🔗 INTEGRATION RULE

All “Full Access” buttons →
👉 `platform.btpma.org`

Label:
“Secure Portal — Full Access”

🔥 STRATEGIC ROLE (IMPORTANT)

Civic Library =
👉 **Top-of-funnel authority + warm-up layer**

- Before Offer 0
- Before Membership
- Before Donation

#Funnel Offer 0 - Free Account

Offer 0 funnel (multi-page, high-conversion, build-ready)

(this is your primary growth engine — keep it simple, fast, structured)

🎯 **Goal:**

Convert **cold traffic → free account → LMS entry → future member**

🧭 **FUNNEL FLOW (LOCKED)**

1. Landing Page
2. Education Overview
3. Account Signup
4. Confirmation
5. Redirect → LMS (platform.btpma.org)

🧩 **PAGE 1 — LANDING (ENTRY POINT)**

🔷 **Headline**

Start Your Civic Education Journey — Free

🔷 **Subtext**

Access foundational education designed to provide clarity, structure, and direction for individuals and families.

🔷 **Key Benefits (3 bullets)**

- Understand the systems that impact your life
- Learn principles grounded in structure and discipline
- Begin building a clear path forward

🔷 CTA (Primary)

Get Free Access

🔷 CTA (Secondary)

Learn More

🔷 Trust Strip

- Free to start
- No obligation
- Built for families

🧠 PAGE 2 — EDUCATION OVERVIEW

🔷 Headline

What You'll Learn

🔷 Sections (stacked cards)

Civic Literacy

Understand key systems and frameworks that shape everyday life.

Scripture-Based Principles

Learn structured principles that guide discipline, stewardship, and direction.

Practical Application

Apply what you learn with clarity and purpose.

🔷 Transition Section

Headline

This Is Your Starting Point

Subtext

Offer 0 is designed to give you immediate access to foundational knowledge and direction.

🔷 CTA

Create Free Account

🧾 PAGE 3 — SIGNUP PAGE

🔷 Headline

Create Your Free Account

🔷 Form Fields

- First Name
- Last Name
- Email
- Password

🔷 CTA

Get Access

🔷 Micro Copy

- No payment required
- Instant access after signup

✅ PAGE 4 — CONFIRMATION PAGE

🔷 Headline

You’re In

🔷 Subtext

Your account has been created. You now have access to your learning platform.

🔷 CTA

Go to Learning Platform

👉 Link:
platform.btpma.org/educate/

🔷 Secondary CTA

Explore Membership

🔗 PAGE 5 — LMS ENTRY (EXTERNAL)

Behavior:

- Redirect OR button click
- Label:
  “Secure Portal — LMS Access”

🧩 UX RULES (CRITICAL)

- 1 CTA per section (no confusion)
- Minimal text
- Fast load
- No distractions

📱 MOBILE OPTIMIZATION

- Large buttons
- Short sections
- Sticky CTA:
  “Get Free Access”

⚙️ WORDPRESS BUILD (HOW TO IMPLEMENT)

Pages to create:

- `/start` (landing)
- `/learn` (overview)
- `/signup`
- `/welcome`

Tools:

- Gutenberg blocks
- WPForms (or similar) for signup

- Redirect plugin (to LMS)

🔥 CONVERSION BOOSTERS (ADD THESE)

- Progress indicator:
  - Step 1 → Step 2 → Step 3
- Light testimonials (optional)
- “Takes less than 2 minutes”

🚀 WHAT THIS DOES

- Removes friction
- Builds trust
- Moves users quickly into your ecosystem

#Stripe + Membership System

Stripe + Membership System

💳 STRIPE + MEMBERSHIP SYSTEM (END-TO-END)

🧩 ARCHITECTURE (KEEP SIMPLE)

- **Frontend:** WordPress (Gutenberg)
- **Payments:** Stripe
- **Membership control:** WP plugin (Paid Memberships Pro or MemberPress)
- **Access destination:** `platform.btpma.org`

🧱 1. CREATE STRIPE PRODUCTS

Create 3 products in Stripe:

🟦 Foundation

- Price: **$111/mo**
- Billing: Monthly recurring

🟨 Builder (Highlight)

- Price: **$222/mo**

🟪 Steward

- Price: **$333/mo**

👉 In Stripe:

- Enable **customer portal**
- Enable **email receipts**
- Enable **tax settings (if needed)**

🧩 2. WORDPRESS MEMBERSHIP SETUP

Install:

- **Paid Memberships Pro** *(recommended for flexibility)*

Create Membership Levels:

Level	Access
Foundation	Basic LMS access
Builder	Full LMS + dashboard
Steward	Full + priority

Map to Stripe:

- Connect Stripe API keys
- Assign each level → Stripe product

🔐 3. ACCESS CONTROL (CRITICAL)

After Purchase:

Redirect user → `/welcome` OR directly → `platform.btpma.org`

Access Rules:

- Hide:
  - LMS links
  - Dashboard links
- Show only if:
  - User logged in + active membership

🔗 4. SSO / ACCESS FLOW (SIMPLE VERSION)

Phase 1 (fast launch):

- Use **same email login across systems**
- Redirect users after purchase

Phase 2 (later):

- JWT / SSO between WP + AEMP

📄 5. CHECKOUT FLOW

Landing → Pricing → Checkout → Confirmation → Redirect

Required Pages:

- `/membership`
- `/checkout`
- `/confirmation`
- `/account`

🔥 6. STRIPE CUSTOMER PORTAL

Enable:

- Cancel subscription
- Update payment
- View invoices

👉 Link in:

- Account page
- Email footer

#WordPress Build Checklist

Step-by-Step WordPress Build

🛠️ WORDPRESS BUILD — STEP-BY-STEP (GUTENBERG)

🔧 0) One-time setup (15–20 min)

- WP Admin → **Settings** → **General**
  - Site Title: *BT Education Ministry*
- **Settings** → **Permalinks** → **Post name**
- **Appearance** → **Editor (Site Editor)**
  - Set global **colors + fonts** (purple + gold, serif + sans)

🧭 1) Create Pages (exact slugs)

- `/` (Home)
- `/about`
- `/programs`
- `/membership`
- `/civic-library`
- `/donate`
- Funnel:
  - `/start`
  - `/learn`
  - `/signup`
  - `/welcome`

🧱 2) Build Header (global)

- Appearance → Editor → **Header**
- Add:
  - Logo (left)
  - Menu (center/right):
    - Home, About, Programs, Civic Library

        - **Membership** (primary)
        - **Donate** (secondary)
    - Button: **Start Offer 0** → **/start**

🧱 3) Build Footer (global)

- Add columns:
    - Address + phone/fax
    - Quick links
    - NAICS/SIC line
- Save as template part

🏠 4) Build Homepage (order matters)

Section order:

1. Hero → H1 + 2 CTAs
2. Trust bar
3. Offer 0 (save as reusable: `section/offer0`)
4. Programs cards
5. Membership (pricing preview)
6. LMS preview (image + button → `platform.btpma.org/educate/`)
7. Head Steward (AI)
8. Testimonials
9. Final CTA

👉 Use: **Group + Columns only**

📖 5) About Page

- Hero
- Mission
- Who we serve
- Process (4 steps)
- Authority block
- CTA

🧠 6) Programs Page

- Hero
- Young Civic Engagement Challenge
- AEMP
- Competency ladder (Seeker → Steward)
- Capstone section
- CTA

💼 7) Membership Page

- Hero
- Value bullets
- Pricing (4 tiers)
- Comparison
- “How it works”
- CTA

👉 Highlight **Architect ($222)** or **Steward ($1111)** visually

---

📚 8) Civic Library

- Hero
- Intro
- Search/filter (optional plugin)
- Resource grid (cards)
- Locked content CTA
- Final CTA

💰 9) Donate Page

- Hero
- Impact bullets
- Donation tiers

- Form (Stripe or plugin)
- Contact info

🚀 10) OFFER 0 FUNNEL (CRITICAL)

`/start`

- Hero + benefits + CTA → `/learn`

`/learn`

- What you'll learn → CTA → `/signup`

`/signup`

- Form (WPForms or similar)

`/welcome`

- Confirmation + button → LMS

🔗 11) INTEGRATIONS (DO THIS LAST)

- LMS buttons → `platform.btpma.org/educate/`
- Dashboard → member portal
- AI → head steward
- Stripe → membership plugin

⚡ 12) REQUIRED PLUGINS (LEAN STACK)

- Membership: **Paid Memberships Pro**
- Forms: **WPForms**
- Blocks: **Kadence Blocks** *(optional but recommended)*
- SEO: RankMath or Yoast

✅ BUILD COMPLETE CHECK

- Mobile responsive ✔
- All CTAs linked ✔
- No broken pages ✔
- Checkout works ✔

#Capstone Estate Trust Directive

Offer 4 Capstone Funnel: Estate Trust Directive

(multi-page, high-conversion, build-ready)

(this is your primary growth engine — keep it simple, fast, structured)

💎 CAPSTONE ($55K) APPLICATION FUNNEL

🧭 FUNNEL FLOW

1. Interest → Programs page
2. Click “Apply for Engagement”
3. Application page
4. Qualification filter
5. Book consultation
6. Close

🧩 PAGE 1 — CAPSTONE LANDING (`/capstone`)

Headline

Estate Trust Directive — Private Engagement

Subtext

A structured, high-level engagement designed for individuals ready to implement full estate, fiduciary, and governance architecture.

Key Points

- Full lifecycle estate planning
- Treasury + fiduciary structure
- Custom governance systems

CTA

Apply for Engagement

🧾 PAGE 2 — APPLICATION (`/apply`)

Headline

Qualification Required

Fields:

- Name
- Email
- Phone
- Current stage (Seeker / Operator / Architect / Steward)
- What are you looking to accomplish?
- Timeline (Immediate / 3–6 mo / Exploring)

CTA

Submit Application

🔍 PAGE 3 — QUALIFICATION LOGIC

If qualified:

👉 Redirect → `/book-call`

If not:

👉 Redirect → Programs page
(“Start with Offer 0”)

📅 PAGE 4 — BOOK CALL (`/book-call`)

- Embed calendar (Calendly or similar)
- Headline:
  Schedule Your Consultation

💬 CALL STRUCTURE (YOU / TEAM)

30–45 min:

1. Situation
2. Gaps
3. Desired outcome
4. Fit for directive

💰 CLOSE FRAME

- Reiterate:
  - Structure
  - Outcome
  - Scope

👉 Offer:
Estate Trust Directive — $55,000

🔥 POSITIONING (IMPORTANT)

- Do NOT sell it as a service
- Present it as:
  👉 **Private engagement**

👉 **Qualification-based**
👉 **Capstone only**

⚡ CONVERSION RULES

- Keep pages minimal
- No distractions
- One CTA per page

🚀 WHAT YOU NOW HAVE

- Full website build system
- Funnel (free → paid → high-ticket)
- Monetization ladder
- Clean execution path

#Website Analytics

📊 ANALYTICS + TRACKING ARCHITECTURE (AEMP-CENTERED)

Source of Truth

All analytics must flow into:

AEMP Dashboard
`aemp.dashboard.btpma.org/measure`

🧩 1. CORE RULE

Website analytics do NOT live in WordPress

WordPress is only the **event source**.

AEMP Dashboard is the analytics destination

AEMP Measure becomes:

- reporting layer
- dashboard layer
- conversion monitoring layer
- membership and funnel intelligence layer

🧭 2. WHAT SHOULD BE TRACKED

Top Funnel

- Homepage visits
- Offer 0 landing visits
- Civic Library visits
- Programs page visits
- Membership page visits
- Donate page visits

Engagement

- CTA clicks
- Scroll depth
- Resource views
- Video plays
- Form starts
- Form completions

Conversion

- Offer 0 signup started
- Offer 0 signup completed
- Membership checkout started
- Membership purchased
- Donation started
- Donation completed
- Capstone application submitted
- Capstone consultation booked

Member/Product Usage

- LMS access click
- Head Steward access click
- Dashboard access click
- Login attempts
- Active membership status
- Upgrade / downgrade / cancel

⚙️ 3. SYSTEM DESIGN

Recommended flow

Website / WordPress / Stripe / Forms / LMS links
→ send events to

AEMP Measure API / ingestion layer
→ display in
AEMP Dashboard

Best architecture

Layer 1 — Event Capture

Capture events from:

- WordPress pages
- WP forms
- membership plugin
- Stripe webhooks
- external CTA links

Layer 2 — Event Transport

Send event payloads to AEMP via:

- REST API endpoint
- webhook receiver
- lightweight JS tracking script

Layer 3 — Event Storage

AEMP stores:

- event name
- timestamp
- page
- session/user id
- membership tier
- source / medium
- device
- campaign if applicable

Layer 4 — Dashboard Rendering

AEMP `/measure` displays:

- near real-time metrics
- funnel conversion charts
- traffic source breakdown
- member progression
- revenue events

🔥 4. NEAR REAL-TIME REQUIREMENT

What can refresh near real-time

- page views
- CTA clicks
- form starts
- form submits
- membership purchases
- donations
- capstone applications

Expected refresh target

- ideal: **15–60 seconds**
- acceptable: **1–5 minutes** for lower-priority metrics

🧱 5. EVENTS TO DEFINE (START HERE)

Use a standard event naming system:

Page Events

- `page_view_home`
- `page_view_programs`
- `page_view_membership`
- `page_view_civic_library`
- `page_view_donate`

CTA Events

- `click_start_offer0`
- `click_join_membership`
- `click_access_lms`
- `click_access_head_steward`
- `click_donate_now`
- `click_apply_capstone`

Form Events

- `form_start_offer0_signup`
- `form_submit_offer0_signup`
- `form_submit_capstone_application`

Commerce Events

- `checkout_start_membership`
- `purchase_membership_seeker`
- `purchase_membership_operator`
- `purchase_membership_architect`
- `purchase_membership_steward`
- `donation_complete`
- `purchase_capstone_estate_trust_directive`

Portal Events

- `portal_access_lms`
- `portal_access_aemp_dashboard`
- `portal_access_head_steward`

🧠 6. REQUIRED DASHBOARDS INSIDE AEMP /measure

Dashboard 1 Section/Tab — Executive Overview

- total visitors
- Offer 0 starts
- memberships sold

- donations received
- capstone applications
- revenue total

Dashboard 2 Section/Tab — Funnel Performance

- Home → Offer 0
- Offer 0 → Signup
- Signup → LMS access
- Membership page → Checkout
- Checkout → Purchase
- Programs → Capstone apply
- Apply → Booked call

Dashboard 3 Section/Tab — Membership Intelligence

- Seeker count
- Operator count
- Architect count
- Steward count
- upgrades
- cancellations
- MRR

Dashboard 4 Section/Tab — Content Performance

- top pages
- top resources in Civic Library
- top CTAs
- bounce/exit risk pages

Dashboard 5 Section/Tab — Revenue

- monthly recurring revenue

- donation revenue
- capstone pipeline value
- conversion by source

🔗 7. INTEGRATION SOURCES

WordPress

Track:

- page views
- CTA clicks
- forms
- library resource opens

Stripe

Use webhooks for:

- checkout session created
- subscription created
- payment succeeded
- subscription updated
- subscription canceled
- donation payment completed

Membership plugin

Track:

- tier assigned
- tier changed
- renewal failed
- access granted/revoked

Calendly / booking tool

Track:

- capstone call booked

🧩 8. USER IDENTITY MODEL

To make analytics actually useful, unify around:

- anonymous session id
- email hash or user id after signup
- membership tier
- source/campaign

This lets AEMP show:

- anonymous visitor behavior
- conversion into known lead
- progression into member
- progression into capstone candidate

🛠️ 9. DEV TEAM TASK LIST

Website Dev

- add tracking script
- fire custom events on buttons/forms
- pass metadata with events

Backend / AEMP Dev

- create ingestion endpoint
- validate/store events
- create near real-time dashboard widgets
- map Stripe and membership data

Ops / Analytics

- define KPIs
- QA event names
- verify dashboard accuracy

✅ 10. MINIMUM VIABLE TRACKING (LAUNCH FIRST)

Launch these first:

- page views
- CTA clicks
- Offer 0 signup submit
- membership checkout start
- membership purchase
- donation complete
- capstone application submit

That gets you 80% of the value fast.

🚀 11. FINAL DIRECTIVE FOR TEAM

Analytics architecture

- Website = presentation + event emitter
- Stripe/forms/plugins = supporting event sources
- AEMP Measure = single reporting and decision layer

Do not split analytics

No separate reporting inside:

- WordPress plugins
- Stripe dashboards
- form dashboards

Those can exist for ops, but **AEMP /measure is the official dashboard**

---

12. Recommended next build artifact

The team should create these immediately:

- **Event Tracking Spec**
- **AEMP Measure Data Schema**
- **KPI Dashboard Wireframe**

#AEMP Dashboard | Measure - Event Tracking

AEMP MEASURE — EVENT TRACKING SPEC (DEV-READY)

1. Source of Truth

All reporting rolls up to:

AEMP Measure
`aemp.dashboard.btpma.org/measure`

WordPress, Stripe, forms, and booking tools are event sources only.

---

2. Event Payload Standard

Every event should send this minimum payload:

```
{
 "event_name": "click_start_offer0",
 "event_category": "cta",
 "event_timestamp": "2026-03-21T15:04:05Z",
 "page_url": "https://educationministry.org/",
 "page_name": "home",
 "session_id": "anon_12345",
 "user_id": null,
 "email_hash": null,
 "membership_tier": null,
 "program_interest": null,
 "utm_source": null,
 "utm_medium": null,
 "utm_campaign": null,
 "referrer": "https://google.com",
 "device_type": "mobile",
 "platform": "wordpress",
 "value": null,
 "currency": "USD",
 "metadata": {}
}
```

---

3. Required Core Fields

Field	Type	Required	Notes
event_name	string	Yes	snake_case
event_category	string	Yes	page, cta, form, commerce, portal, booking
event_timestamp	datetime	Yes	UTC
page_url	string	Yes	Full URL
page_name	string	Yes	home, programs, membership, etc.
session_id	string	Yes	Anonymous or known session
user_id	string/null	No	Internal user id if logged in
email_hash	string/null	No	Hash only, not raw email
membership_tier	string/null	No	seeker, operator, architect, steward
program_interest	string/null	No	ycec, aemp, estate_trust_directive
utm_source	string/null	No	Campaign attribution
utm_medium	string/null	No	Campaign attribution
utm_campaign	string/null	No	Campaign attribution
referrer	string/null	No	Referring URL
device_type	string	Yes	desktop, tablet, mobile
platform	string	Yes	wordpress, stripe, calendly, aemp
value	number/null	No	Revenue or donation amount
currency	string	No	Default USD
metadata	object	No	Flexible extension field

---

4. Canonical Page Names

Use these exact values:

- `home`
- `about`
- `programs`
- `membership`
- `civic_library`
- `donate`
- `offer0_start`
- `offer0_learn`
- `offer0_signup`
- `offer0_welcome`
- `capstone`
- `capstone_apply`
- `capstone_book_call`

---

5. Canonical Membership Tiers

Use these exact values, aligned to your final structure and competency ladder.

- `seeker`
- `operator`
- `architect`
- `steward`

Capstone offer:

- `estate_trust_directive`

---

6. Event Catalog

A. Page View Events

Event Name	Trigger	Category	Key Metadata
page_view_home	Home page load	page	none

page_view_about	About page load	page	none
page_view_programs	Programs page load	page	none
page_view_membership	Membership page load	page	none
page_view_civic_library	Civic Library page load	page	none
page_view_donate	Donate page load	page	none
page_view_offer0_start	/start load	page	none
page_view_offer0_learn	/learn load	page	none
page_view_offer0_signup	/signup load	page	none
page_view_offer0_welcome	/welcome load	page	none
page_view_capstone	/capstone load	page	none
page_view_capstone_apply	/apply load	page	none
page_view_capstone_book_call	/book-call load	page	none

B. CTA Events

Event Name	Trigger	Category	Metadata
click_start_offer0	Click any “Start Offer 0” or equivalent CTA	cta	cta_location
click_start_civic_education_journey	Hero or page CTA click	cta	cta_location
click_join_membership	Click membership CTA	cta	tier_shown if applicable
click_access_lms	Click LMS access button	portal	destination_url
click_access_head_steward	Click Head Steward button	portal	destination_url

click_access_aemp_dashboard	Click dashboard/member portal button	portal	destination_url
click_donate_now	Click donate CTA	cta	cta_location
click_apply_capstone	Click capstone apply CTA	cta	cta_location
click_view_resource	Click resource card in Civic Library	cta	resource_id, resource_category
click_access_full_library	Click locked-content CTA	cta	destination_url

---

C. Form Events

Event Name	Trigger	Category	Metadata
form_start_offer0_signup	First interaction with Offer 0 form	form	form_id
form_submit_offer0_signup	Successful Offer 0 form submission	form	form_id
form_start_capstone_application	First interaction with capstone application	form	form_id
form_submit_capstone_application	Successful capstone application submission	form	form_id, qualification_stage
form_start_donation	First donation form interaction	form	donation_type
form_submit_contact	Any contact form submit	form	form_id

D. Commerce Events

Event Name	Trigger	Category	Metadata

checkout_start_membership	Membership checkout initiated	commerce	tier, price
purchase_membership_operator	Successful Operator purchase	commerce	value=111
purchase_membership_architect	Successful Architect purchase	commerce	value=222
purchase_membership_steward	Successful Steward purchase	commerce	value=1111
purchase_membership_seeker	If free membership record is created	commerce	value=0
membership_upgrade	Tier upgraded	commerce	from_tier, to_tier, value
membership_downgrade	Tier downgraded	commerce	from_tier, to_tier
membership_cancel	Subscription canceled	commerce	tier
donation_complete	Donation successful	commerce	donation_type, value
purchase_capstone_estate_trust_directive	Capstone paid/contracted	commerce	value=55000

E. Booking Events

Event Name	Trigger	Category	Metadata
book_capstone_consultation	Consultation booked	booking	booking_tool, appointment_type

---

F. Engagement Events

Event Name	Trigger	Category	Metadata

scroll_depth_25	25% scroll	engagement	percent=25
scroll_depth_50	50% scroll	engagement	percent=50
scroll_depth_75	75% scroll	engagement	percent=75
scroll_depth_100	100% scroll	engagement	percent=100
video_play	Video starts	engagement	video_id
video_complete	Video completes	engagement	video_id
resource_download	Resource downloaded	engagement	resource_id

---

7. Metadata Standards

CTA location values

- `header`
- `hero`
- `offer0_section`
- `programs_section`
- `membership_section`
- `civic_library_section`
- `footer`
- `final_cta`

program_interest values

- `young_civic_engagement_challenge`
- `applied_education_ministry_project`
- `estate_trust_directive`

donation_type values

- `one_time`
- `monthly`

qualification_stage values

- `seeker`
- `operator`
- `architect`
- `steward`
- `unknown`

---

8. Funnel Definitions

Offer 0 Funnel

1. `page_view_offer0_start`
2. `click_start_offer0`
3. `page_view_offer0_learn`
4. `page_view_offer0_signup`
5. `form_submit_offer0_signup`
6. `page_view_offer0_welcome`
7. `click_access_lms`

Membership Funnel

1. `page_view_membership`
2. `click_join_membership`
3. `checkout_start_membership`
4. `purchase_membership_operator` / `architect` / `steward`

Donation Funnel

1. `page_view_donate`
2. `click_donate_now`
3. `form_start_donation`
4. `donation_complete`

Capstone Funnel

1. `page_view_programs` or `page_view_capstone`
2. `click_apply_capstone`
3. `page_view_capstone_apply`
4. `form_submit_capstone_application`
5. `book_capstone_consultation`
6. `purchase_capstone_estate_trust_directive`

---

9. Dashboard Widget Requirements for AEMP /measure

Executive Overview

- Total visitors
- Offer 0 signups
- Membership conversions
- Donation revenue
- Capstone applications
- Total revenue

Membership Intelligence

- Seeker count
- Operator MRR
- Architect MRR
- Steward MRR
- Upgrades
- Cancellations

Program Intelligence

- Young Civic Engagement Challenge interest
- AEMP interest
- Capstone applications
- Program-to-purchase conversion

Content Intelligence

- Top pages
- Top Civic Library resources
- Top CTA click-through rates

Funnel Intelligence

- Offer 0 conversion rate
- Membership checkout completion rate
- Donation completion rate
- Capstone application-to-booked-call rate

---

10. Refresh Requirements

Near real-time targets

- Page and CTA events: 15–60 sec
- Form submits: 15–60 sec
- Stripe webhook events: 30–120 sec
- Booking events: 1–5 min

Technical recommendation

- Event ingestion API + queue
- Lightweight event processor
- Cached dashboard tiles with frequent polling or websocket refresh where feasible

---

11. Implementation Responsibilities

WordPress Dev

- Add tracking script
- Fire page view events
- Fire CTA click events
- Fire form start/submit events
- Capture UTM/referrer/session

Stripe/Commerce Dev

- Configure webhook listener
- Map subscription and donation events to canonical event names

AEMP Dev

- Build ingestion endpoint
- Normalize payloads
- Store events
- Surface widgets in `/measure`
- Build refresh logic

QA

- Validate event firing
- Confirm no duplicate events
- Validate revenue mapping
- Confirm funnel counts reconcile

---

12. Minimum Launch Event Set

Launch these first:

- `page_view_home`
- `page_view_programs`
- `page_view_membership`
- `page_view_donate`
- `click_start_offer0`
- `click_join_membership`
- `click_donate_now`
- `form_submit_offer0_signup`
- `checkout_start_membership`
- `purchase_membership_operator`
- `purchase_membership_architect`
- `purchase_membership_steward`
- `donation_complete`
- `form_submit_capstone_application`
- `book_capstone_consultation`

That is enough for first-launch decision-making.

✅ FINAL STATUS

You are **finished here** for planning.
Your dev/design team can now start in **Figma immediately**.

🎯 FINAL FIGMA INSTRUCTIONS FOR TEAM

What to do now

- Use the **existing locked page layouts**
- Use the **final page names**
- Use the **final copy**
- Use the **existing component + grid system**
- Do **not** redesign structure unless there is a real build constraint

Final sitemap

- Home
- About
- Programs
- Membership
- Civic Library
- Donate

Important content alignment

- Programs page must reflect:
  - Young Civic Engagement Challenge
  - Applied Education Ministry Project
  - Estate Trust Directive capstone
- Membership page must use:
  - Seeker
  - Operator

    - Architect
    - Steward
- Civic Library must be positioned as:
    - Free resources sampled from the Knowledge Vault

Figma build order

1. Design System
2. Components
3. Desktop pages
4. Tablet pages
5. Mobile pages
6. Interaction states
7. Dev handoff notes

Hard constraints

- Build for **WordPress Gutenberg**
- Avoid complex overlaps and hard-to-build compositions
- Keep layouts modular, card-based, section-based
- Use Auto Layout everywhere
- Use exact naming conventions already defined

Asset checklist before final polish

- Logo files
- Brand-approved fonts
- LMS screenshots
- Head Steward screenshots
- AEMP/dashboard screenshots
- Final testimonials

Final UX note

The site should feel:

- authoritative
- structured
- clean
- modern
- ministry-grounded
- conversion-focused

No more planning is needed. The team can begin.
